Dear Harold

In response to your letter of Nov 24, 1991.

I think the new edition of Whitewash should have a new foward and a new preface. Perhaps one written by you and one by Jim Lesar. Jim should evaluate what we have learned about the assassination since the original publication of Whitewash. Yours should be personal & should include your current thoughts and admonitions.

The new edition would probably be published in the Fall of 1992.

We would like a publicist ability to get you radio interviews from home. The advertising & promotion budget would be approximately $5000. You would bear approx certain of all costs.

If the retail cover price were $8.00 & the royalty 8% the advance of $5000 would earn out at a little less than 8000 copies sold over

What do you think the market is for Whitework. Over the last 2 years C&B sold approximately 75,000 copies of Bert Ender.

We'll talk shortly.

I'd personally be very pleased to write with you on Whitework, but please do what appears best for you.

Best,

R
